

**Part of the Red Sea** – A generous portion, served cold, lightly sweetened, and lying on a bed of crunched up leaves.

**Fraidy Cat** – Batter dipped, seasoned with special spices – no catnip – and fried to a golden succulent crispy brown.

**Cedars of Lebanon** – Known the world over for its quality, we hand pick our lumber, guaranteeing absolute clarity and structural soundness.

**Angel Pillows** – Soft and fluffy, but sorry, no pillow cases.

**Gold of Ophir** – Eureka! We have found it! 24 karat gold nuggets, specially selected for size and weight.

**Screamin' Mimi** – one bite of this and you'll be screamin' too!

**What's That in the Road?** – need we say anything more?

**Sponge and Sludge** – A favorite! Individual size sponges gracefully topped with gunk that our chef gets from somewhere. We guarantee that all the bathwater has been rinsed out.

**Liquid Elevator** – Even our chef doesn't know what this really is!

**Puppy Critter** – A pound special this time of year, we boil 'em still in their skin, and serve 'em piping hot.

**Cuhnfyfe** – On the cutting edge of culinary delight! Very high in mineral content.

**Pota (po'-tay)** – Feet of the rare African Pota are cooked whole, then, only the toes are whipped to a smooth texture; served smothered in mud.

**Biological/Chemical Special** – Gallus Gallus Embryos, Sodium Chloride, Pulverized Triticum, and Saccharomyces fungi.

**Zoldello Kabitoszer-pirula** – In Hungarian, it sounds quite exotic-but even if you don't speak Hungarian, you're sure to like this house specialty.

**Hog Trough & Slop** – Make a pig of yourself with this little delight.

**\$1,000** – Well, not really! But a really expensive meal would always come with this!
